

# TRADE PARTY

## C O N T R A C T

- Deals need to be “player for player” as rosters cannot go above 15.  
(ex. 2 players on Team X for 2 players on Team Y)
- Deals may include “additional consideration”  
(ex. Team X would like to trade Mike Vick to Team Y for Drew Brees and a round of shots for our team)
- League Manager has final decision in approving trades! However, please be aware that teams may challenge deals to ensure fairness. No one in their right mind would trade a star quarter-back for a running back that hasn't got off the bench all season.
